

## Curriculum Vitae

**Name:** Ted Waltman  
**Address:** 2630 S Harlan CT  
Lakewood, CO 80227  
**Contact info:** Cell: 303-378-4987  
Email: [ted@eaerofab.com](mailto:ted@eaerofab.com)

### Moose Aircraft Experience

#### Moose Fabrication

- ✦ Personally built two complete Murphy Moose aircraft
- ✦ Built another fuselage quick-build from basic fuselage kit
- ✦ Supervise and assist two full-time staff who have:
  - ✦ Completed the construction of one Moose aircraft to 80% completion (everything except wiring & engine installation)
  - ✦ Upgraded 2 sets of Super Rebel wings to Moose wings
  - ✦ Added extensive fuselage modifications and a complete avionics upgrade to another aircraft
- ✦ Fabricate custom Moose after-market parts
  - ✦ Clients throughout North America and Australia

#### Moose Assembly Assistance

- ✦ Regularly answer questions on the primary builder support on-line forum regarding Moose build issues, problems and questions
- ✦ Receive on average 4 to 6 phone calls per week

## Pre-purchase Inspections

- Completed two pre-purchase inspections for customers who were considering purchasing Moose (or comparable Super Rebel aircraft) from third-parties

## Moose transition training

- Have trained four Moose builders or new owners on “best practices” for operating and maintaining their Moose aircraft
- Performed flight transition training for these owners on Moose flight characteristics (e.g. preflight, taxi, takeoff, unusual attitudes, stalls, cruise flight, landings)
- Provide clients with proprietary transition training manual and related flight documents

## Flight Experience

- Highest time pilot in Moose aircraft world-wide (to the best of my knowledge) with 850+ hours
- Experience in both radial engine and Lycoming powered Moose aircraft

## Moose Ferry Pilot

- Hired by one customer to ferry their Moose from Vancouver to Yellowknife, Northwest Territories, Canada
- Hired by another customer to ferry their Moose from Colorado to Ohio
- Ferried Super Rebel from Fairbanks to Denver for yet another customer
- Ferried Moose to/from Cottonwood, AZ to Denver.

## Expert Witness

- Retained by client & national aviation law firm as an expert witness in Moose construction & repair for a trial in United States Federal District Court

## Reference

- Recognized by the World-Wide Moose factory sales representative (Mr. Bob Patterson, Patterson Aero Sales, <http://pattersonaerosales.com/>) as THE Go-To Guy for anything Moose related
